

**STUDENT USE OF MOTOR VEHICLES**

---

**1.0 Purpose**

The Superintendent shall promulgate an Administrative Regulation for students driving to and from school. The Administrative Regulation shall provide for:

**1.1** Communications with parents and students of all rules regarding student drivers by such means as Parent Teacher Organizations, student handbooks, newsletters, et cetera.

**1.2** The use of the district’s school bus transportation system should be encouraged in lieu of the use of private vehicles by student drivers.

**1.3** Students shall not, except in unusual circumstances, be permitted to drive or ride in private vehicles to and from the vocational school. If such a circumstance arises, the student shall follow the administrative guidelines stipulated by the technical school. Both the director of the technical school and the principal shall review said circumstances and grant joint permission in order for a student to use private transportation to or from the technical center.

**1.4** When circumstances dictate use of a vehicle to and from school, or vocational school, a parental permission form must be completed and kept on file in the principal’s office.

**2.0 Review Schedule**

This policy shall be reviewed in accordance with the Policy Review Schedule published by the Superintendent.
